CTICC 010/2017: Supply and installation of carpets in public gallery and related areas

Dear Tenderer,

Enquiry 1:

"After reading through the BOQ supplied in the tender document Section 2 Supply and installation of carpets"

- 2.04 Repair damaged floors and apply screed where floors are uneven. Allow to cure.
- 2.13 Repair damaged floors and apply screed where floors are uneven. Allow to cure.
- 2.22 Repair damaged floors and apply screed where floors are uneven. Allow to cure.
- 2.31 Repair damaged floors and apply screed where floors are uneven. Allow to cure.
- 2.40 Repair damaged floors and apply screed where floors are uneven. Allow to cure.
- 2.49 Repair damaged floors and apply screed where floors are uneven. Allow to cure.

Question

1. "Can this line item be unpacked to create a standard?"

Response 1:

In the BOQ and document we only refer to the repair of damaged floors and application of a screed where floors are uneven. We will allow for 20% of total square meters per phase, creating a criterion/standard.

Kind Regards;
