CTICC

### CTICC 050/2016: CTICC East Expansion renderings and floor plans

Dear Tenderer,

#### **Enquiry 1:**

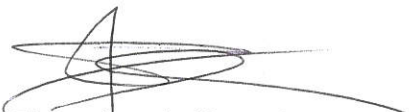

Please advise if our price is under a million, what repercussion it will have on our evaluation.

#### **Response 1:**

It depends on whether the other bidders submit offers below or above R 1 000 000:

1. If all offers received are equal to, or below R 1 000 000, then the tender must be cancelled and re-advertised.
2. If at least one offer received is above R 1 000 000, then all responsive tenders will be evaluated on the 90/10 preferential point system.
3. If all offers received are above R 1 000 000, then all responsive tenders will be evaluated on the 90/10 preferential point system.

Kind Regards;
