The CTICC Beverage team prides themselves on delivering exceptional thirst-quenching experiences; whether it is an artisan cocktail, a slow-brewed craft beer, or the finest selection of wines the Cape has to offer. Our master bartenders have hand selected the best spirits; from award winning single malts to excellently bespoke gin from our local distillery. True to our sustainable nature, we have sourced all our wines locally, with a commitment to wines that use organically grown grapes, and support fair trade farming partnerships.

We can always add to your experience by offering our alternative services to your bar of choice. We have selections such as live juice stations, ice cold beer on tap, delicious homemade ice teas and, if you really want to be adventurous, our infused botanical water.
